The 42nd Annual Flower, Produce and Handicrafts Show

Welcome at last to the 42nd Wilstead Flower, Produce and Handicrafts Show. After an extraordinary year and thankfully we are starting to return to normal now, but it has been one which has given us more time to work at home and one in which many people have taken up allotments and other hobbies; and the show hopefully, could give us a chance to show some of our achievements.

We have made a few changes this year to the sections to stop some of the classes becoming a bit stale and we hope that you find them interesting.

The committee would like to give a thank-you to John Bramall who stood down from the committee last year and thank him for his help he has given to show over the recent years.

We thank you for your interest and entries and hope you enjoy your visit to the show.

On behalf of the Wilstead Flower and Produce Association,

Linda & Ken Cook

Wilstead Flower & Produce Association AGM

This will be held on Thursday 14th October at the Village Hall small room at 7:30pm. This is a public meeting and anyone wishing to put forward ideas or who would like to take part in, or listen to the discussions will be very welcome to attend. The committee will stand for re-election at this time.
