A further site meeting with a potential contractor has been arranged. Funding opportunities information had been shared with MB. It was noted that the Council agreed once all proposals are finalised total cost will need to be developed and means of funding pursued. It was felt that the £60k in the Reserves budget plus £25k from outstanding CIL payment would be inadequate, the above costs do not include major earthworks or surfacing. **Action 7.05: Ongoing**

ENVIRONMENT

Action 11.09 (21): MB Some repairs are needed to the gates into churchyard to refresh the gates MB to explore quotes for this with a local contractor. This has been explored and it is expected due to the age of the gates they will require more substantial work carried out than just light touch maintenance. The middle takeaway shop was approached with regard to resurfacing the car park area that had become a trip hazard. This has been done but not well so that there remain large puddles of water in the area after rain. It is still intended to tidy up the area but requires further thought on what exactly needs to be done. **Action 2.04: Ongoing**

Action 2.05: EB A new village sign to be made and commissioned for being centrepiece of the work, a design competition to be arranged. Schoolchildren submitted proposals for the sign but these have not been taken up. On hold pending a decision on Action 2.04 **Action 2.05: Ongoing.**

Action 2.13: Ongoing

Action 2.07:MB *To explore options regarding the Jubilee Way knee rail repairs* Quote accepted for £225.88 for the knee rail repairs, also discussed having an extension to this knee rail repair to prevent vehicles accessing the field going forwards, so could exploration of a more permanent fixture be explored for these options, so the knee rail repair to be held off until the other options being extended have been explored.

Action 2.07:Ongoing

Action 4.01: Clerk *To follow up with Inspector Goldsmith about having an article collated to share in local publications about how best to report items* to the Police would be helpful to promote the right way to send items in. Also Inspector Goldsmith to look into racing vehicles along the A6 late at night Contact details for reporting to the Police had been placed in Homewatch. Clerk has followed up the A6 racing vehicles as well.

Action 4.01: Ongoing

Action 9.04:MB *To explore additional parking along Jubilee Way being explored, with options being considered before putting up the new knee rail fence (Action 2.07).* There was a suggestion of clearer signage would be beneficial to direct users to park in overspill area. MB offered to collate a specification to enable quotes to be sourced.

Action 9.04:Ongoing

Action 10.12:MB *To go ahead with the Huckle Meadow entrance gate - MB declared an interest in this item and took no part in the vote.* The quote covered additional widening of the entrance, excavation works for the steel posts, a new hardcore base for the opening the additional installation costs will be £3305.00 including VAT. This figure includes all materials (concrete, hardcore, membrane), plant hire costs, delivery, collection of materials and all labour required for the install. The gate to be a steel kissing gate option designed for disabled pedestrian access. The gate being explored is from McVeigh Parker for the materials, the quote being £1409.00 excluding VAT. Action 10.12:Complete

Action 3.04:RA/MB *To look at gate from allotments into the churchyard*

Action 3.04:Ongoing

Action 11.07 (23): EB *To await response from Persimmon regarding the Longmeadow Drive transfer negotiations in light of the Parish Council not wishing to take on the balancing pond, given the Internal Drainage Board feedback, unless the outlet from the pond has been examined and, if necessary cleared, in view of the flooding that has occurred over the past months.* Reports of the path cracking up from silver birch roots still to be followed up with Persimmon. Latest update is that camera awaiting to be placed still in the balancing pond, when the weather improves. No update.

Action 11.07(23): Ongoing
